WHEELED KNIB

Fleet's Newly Designed Wheeled Knib.

The wheeled knib allows crisp, well defined lines to be used on grass, hard and synthetic surfaces.

For the perfectly flat and the not so level playing surface.

Normally \$499

KI LINEMARKER

- + Paint to the value of \$110
- + Nozzle tip Cleaner
- + Fleet wipes

The Ki comes with precision engineered, stainless steel, adjustable line forming discs that produce crisp, well defined lines with each mark and the heavy duty Lithium Ion battery and pump will give an 8-hour marking session before having to be re-charged. When used with Fleet's Ready to use paint system there is no need for external mixing: just attach the bag, connect to the machine and start marking, when the day's marking is complete just use the unique flushing system to clean up.

ONLY
\$1200⁰⁰

ATHLETICS BOOM

The Athletics Boom is easily fitted and removed from the Kombi in a matter of seconds. With this feature its perfect for marking out athletic tracks. As well as reducing the time spent over marking tracks, it greatly reduces the time taken to measure and initial mark tracks.
